

ARML Song Contest/Karaoke
At Penn State University
Friday, June 1, 2018
Waring Commons/West Halls
9:30 PM

Arrive early to sign up.

Teams are encouraged to write a song about the ARML competition, their trip to Penn State, their ARML team, or math in general. This is a great team building activity!

The song competition will be held on Friday evening in Waring Commons/West Halls at 9:30 pm.

The audience, along with ARML judges, will select the winner. The winning team will perform following the Super Relay during the competition on Saturday (time permitting).

Teams are allowed to have as few, or as many performers as they want (1 or 2 up to 15), but each team is limited to one entry. Alternates may compete on the team that they came to Penn State with.

Songs will be judged based on originality, creativeness, and overall presentation. Songs must be limited to thirty seconds and any entries with inappropriate content or dress will be disqualified.

The Karaoke will follow the song competition!
